CONSTITUTION MARINA · PARKING

Parking Rules & Regulations

Please keep this sheet with your parking permit for reference.

Rules of the Lot

1. The parking lot is operated for tenants, employees, guests and transients. Ingress and egress are monitored by VPNE Parking Solutions and the property's parking access control system.

2. The speed limit is **5 miles per hour**.

3. The lot is for vehicles no larger than full-size passenger automobiles. Motorcycles and scooters are permitted in the designated area.

4. Marina parking stickers must be displayed at all times on the **driver's side windshield**, with the sticker number visible.

5. Vehicles without a sticker may be towed so that as many spaces as possible stay open for marina customers.

6. Boat owners may use marina parking spaces only while they are using their boats. If a car is found parked in marina spaces for non-boating use, it may be towed, even if it has a valid marina sticker.

7. Parking in the marina lot is **by permit only**. Marina permit parking is to the right of the guard shack as you enter. Parking in the lot to the left of the guard shack requires paying Jamestown.

8. If your monthly fees or boat insurance are not up to date, your parking access card will be shut off until your account is current.
